
Practical 2

Aim: Write HTML codes to attach video on webpage using embed tag in html.

Input:

```
<!DOCTYPE html>

<html>

<head>

<title>Jams Commumnity</title>

</head>

<style type="text/css">

h1{

color: white;

font-size: 48px;

font-family: monospace;

font-style: Consolas;

}

h2{

color: white;

font-size: 30px;

font-family: monospace;

font-style: arial;

}

h3{

color: white;

opacity: 30%;
```

```
}
```

```
h3:hover {  
  
opacity: 100%;  
  
color: white;  
  
font-style: TimesnewRoman;
```

```
}
```

```
video:visited {  
  
border-width: 50;  
  
border-color: white;  
  
}
```

```
button{  
  
border: 5; background-color: red;color: white;  
  
}
```

```
button:hover {  
  
color: white;  
  
width: 25%;  
  
height: 25%;  
  
}
```

```
</style>
```

```
<body bgcolor="black">
```

```
<h1 align="center">Practical-2</h1>
```

```
<h2 align="center"><b>Aim:</b>Write HTML codes to attach video on webpage <br> using  
embed tag in html.</h2>
```

<video controls autoplay>

<source src=http://techslides.com/demos/sample-videos/small.ogv type=video/ogg>

<source src=http://techslides.com/demos/sample-videos/small.mp4
type=video/mp4>

Browser doesnt support!.

</video>

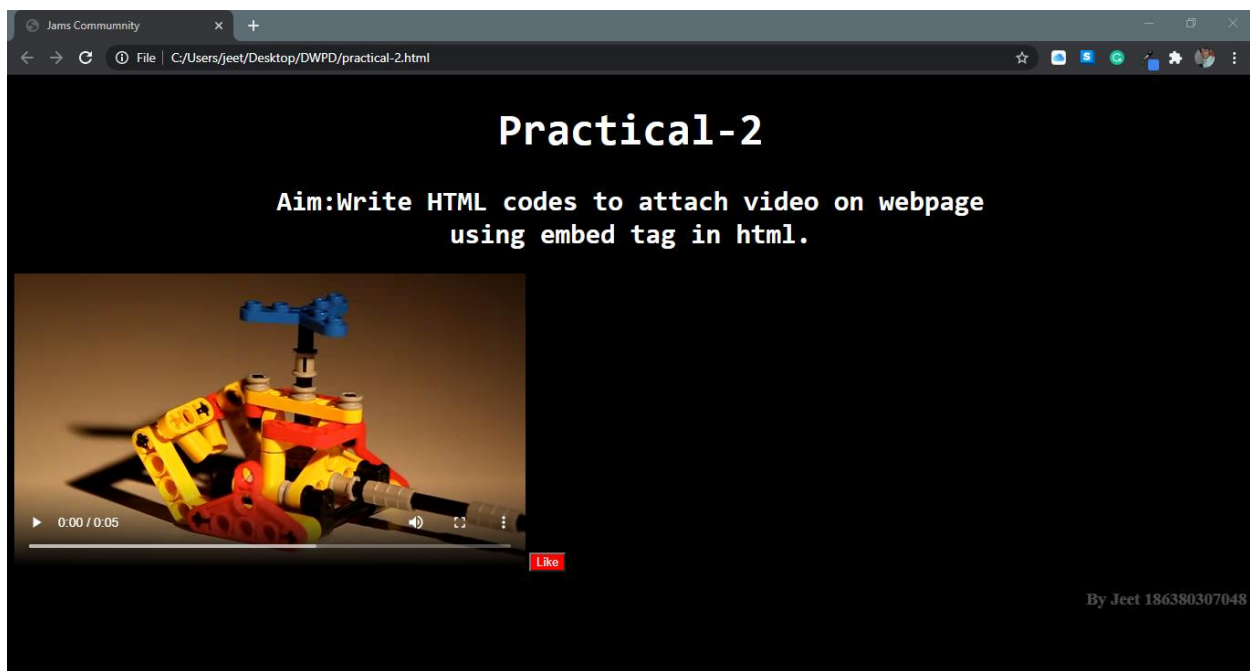

<button type="button" onclick="alert('Thanks')">Like</button>
